World Eye Cancer Hope

life and sight for every child

"For it is in giving that we receive"

St Francis of Assisi

Grace's Gift

Celebrate life by giving the gift of life to a child with eye cancer.

Grace's Story

Grace lives in Arizona with her mum, dad, brother and sister. She was diagnosed with retinoblastoma as an infant. Sadly, her eye had to be removed to save her life, but today she is happy and cancer free.

Grace received many gifts from well-wishers after her life-saving surgery. They gave her joy at a very difficult time. When her first birthday approached, her parents wanted to celebrate the milestone with a meaningful gift to help other children.

Invitations to Grace's party asked friends and family to make a donation to WE C Hope instead of buying a present for Grace. Together, the community who love Grace raised over $1,000.

This gift helped us begin the Rati's Challenge program in Africa that brings hope to children with eye cancer in some of the world's poorest countries.

Turn Your Celebration Into a Gift of Life and Sight for a Child With Cancer.

Setting up a Grace Gift Celebration is as simple as creating an online fundraising page and asking your friends and family to support your celebration fundraiser!

Create a Grace Gift fundraiser: www.wechope.org/give-hope/fundraise/online

How Grace's Gift Works

Turn your special occasion into the gift of life and sight for children with eye cancer!

There are three simple steps to creating your Grace Gift:

1. Create an Online fundraising page

Anyone can set up a Fundraising Page. It's simple, free, and takes less than 10 minutes. Donations are transferred directly to World Eye Cancer Hope either in England or the USA, so you don't have to collect or process any cash or cheques.

Give your page an inspiring title, add a photo and set a fundraising target. Tell your visitors why you are donating your celebration and asking for their support. Donors can leave a message with their gift and you can see your Grace Gift total rising.

2. Tell friends and family about your Grace Gift and ask them to donate.

Email your Grace Gift fundraising page to everyone you know and ask them to donate. Include information about it with party invitations. Post on social media and include the link and an invitation to give in your email signature.

3. Celebrate and gather more donations.

If you are having a celebration party, plan to have the fundraising page open on a computer, tablet or smartphone at your event, to receive donations. Tell guests why their Grace Gift donation is important to you, and invite them to give generously.

When your Grace Gift fundraiser is complete, we will send you

- a certificate detailing the total Grace Gift.
- a thank you card and small celebratory gift.
- a Childhood Cancer Gold Ribbon lapel pin.

The Celebrations Continue With Your Help

With your Grace Gift, we can continue to turn the dream of life and sight for every child into reality. We wish you many blessings on your special day, and thank you for your support in helping us bring many more happy birthdays to children with eye cancer and their families across the country and around the world.
